LESS ORATORY; MORE BUSINESS

Senate Passes Many Bills Without Representative McCrea Puts in Meas- Legislature is Divided Against Itself, Fuss or Speech-Making.

SANITARY MEASURES ARE PUT THROUGH.

Not a single flight of oratory marked yesterday. Largely because of this a terday by unanimous consent of the rather strained as the end of the sesgreat mass of business was put house;

Senate bill No. 105, by Hollingsworth,

relating to the pay of assistants who aid in getting out tax rolls.

Senate bill No. 98, by Walton, relating to sanitation of school build-Senate bill No. 96, by Walton, pro

viding for courses of instruction in public schools in sanitation and prevention of disease.

Alien Labor Bill Killed.

Cromar's house bill No. 80, providing protection for alien laborers, was killed in committee. Senate bill No. 10, relating to bounties, and senate bill No. 54, relating to the state board of iculture, were also killed in co

mittee to make way for substitute measures on the same subjects.

Senate bill No. 110, the newspaper measure, and senate bill No. 87, the bucketshop bill, were made special orders for 3 o'clock and 3:30 o'clock respectively. Monday. spectively, Monday

Senate bill No. 92, by Johnson, the osteopathy bill, was made a special order for 4 o'clock Monday, and senate bill No. 114, by Clegg, relating to taxof transient stock, also went over

Senate bill No. 43, by Walton, relat-ing to reservoirs, had not been printed. It was ordered printed and will come up for consideration Monday. Consideration of Governor Cutler's appointments to the state board of

Committees Make Reports.

Favorable committee reports were adopted on the following measures; House bill No. 140, by Marks, amending section 1239, revised statutes, relating to the disposition of property found n deceased persons. House bill No. 166, by Marks, amending section 3952, revised statutes, relating to final account and settlement of

Senate bill No. 112, by Lawrence (by request), amending section 3883, revised statutes, relating to service of summons in justice courts.

House bill No. 165, by Marks, amending section 4355, revised statutes, de-

fining larceny.

House bill No. 168, by Edward, amending section 2059, revised statutes, relating to the compensation of county

Senate bill No. 125, by Hollingsworth, providing for the licensing of peddlers of farm machinery, etc.

Senate bill No. 100, by Walton, providing for a state laboratory for bac-

teriological research.
Senate bill No. 86, by Lawrence, amending sections 753-755, revised statutes, relating to the practice of dentistry.

Love Relinquishes Chair.

President Love was seized in attack of illness shortly before yesterday's session opened and was com-pelled to go to his home immediately. He communicated with the senate by selephone later and expressed a belief telephone later and expressed a belief that his indisposition was temporary and that he would be able to attend Monday. Senator Walton presided until his row of health bills came up, when he called Senator Bennion to the

Senator Walton is now referred to only as "Doctor" Walton, because of the long list of health measures he has in the senate. The only new measure introduced

was senate bill No. 129, by the joint committee on agriculture and irrigation. It is a substitute for house bill No. 117 and senate bill No. 54, creat-ing the state board of horticulture.

Modern Plumbing.

At moderate prices. George G. Doyle & Co., 211 State street. 'Phone 162.

DORMITORY BURNED.

New Haven, Conn., March 4.—The "High wall," one of the finest of the private dormitories for Yale students, was damaged today by fire to the extent of \$10,000. The injury to the costly furnishings of Sheffield science school students, who occupied the apartments, is estimated at \$10,000 more. The fire is supposed to have started from a cigarette stub.

NOT MELONS

But Good Old Grape-Nuts This Time.

Out at Rocky Ford, Colo., where the wonderful melons come from, a man had an experience with food that he ill never forget.
"I had been running down for a long

time, memory got very bad. I had that dreadful feeling of apprehension that something was going to happen, and could not get rid of it.

"I lay many nights almost without

any sleep whatever, had a dull sick headache most of the time, was nerv-ous and my stomach was in a dreadful

Johnson, Miller, Pace, Pancake,
Simons, Stringham, Thompson and

Wilson gave notice that he would

move for a reconsideration of the house's action at Monday's session.

B. No. 27) creating a standard of and measures uniform with that of other states. Luther proposed a list of amendments relating to bushel weights that included about everything in the line available excepting grasshoppers and Speaker Hull proposed that the latter should

Lime, the house was informed by Tolton, often consists of sand and dirt in which the real article existed apparently by accident. Tolton wanted the bushel of lime increased from seventy to eighty pounds. The house decided to risk the seventy pound bushel and the amendment lost. The bill carried by a unanimous vote.

Sonal injury cases. Recommended for passage.

Judiciary—H. B. No. 130, by Hopes. relating to notice of sale of personal and real property on execution. Recommended for passage.

Judiciary—H. B. No. 208, by Thompson, relating to limitations other than real property. Recommended for passage.

Kinney's homestead bill (H. B. No. 109, by request) was killed in the house yesterday by a vote of 13 ayes to 23 nays. The bill failed of passage after it had been cut to pieces with amendments. It encountered strong opposition from the country members. Miller moved early in the debate to strike out the enacting clause but the house decided in favor of the lingering method of execution.

Favor Cold Storage Eggs.

The house decided for two years The house decided for two years more of cold storage eggs yesterday by killing house bill No. 207. by Panter, providing that eggs of ancient ancestry must be labeled. The measure failed after numerous pleasantries regarding eggs, their origin and evolution had been indulged in. Roberts made a strong plea for the Utah had tion had been indulged in. Roberts made a strong plea for the Utah hen. Tolton said he also was fond of the hen and the fruits of her labor, but believed the members of the house might better take out life insurance policies as guards against venerable eggs than pass Panter's bill.

Curtin showed where he stood on the egg question by giving notice of a motion to reconsider.

The house took a more lenient view of Hone's bill (H. B. No. 170) prevent-

ing deception in the sale of renovated butter and licensing manufacturers and dealers in the same. Evidently every member of the house has met renovated butter during his life time to be verified. Judiciary. renovated butter during his life time for there was not a dissenting voice to the passage of the bill.

Pass Bills in Harry's Absence. Cognizant of the fact that yesterday's cognizant of the fact that yesterday's session was the last at which Joseph would be absent, the house settled down and in addition to the bills above mentioned passed the following without metallic and the second control of the second contro

above mentioned passed the following without material opposition:

H. B. No. 224. by McCrea, making cities liable jointly with the principal contractor on public works in actions instituted by sub-contractors.

H. B. No. 101. by Curtin, providing for the examination of clerks and inspectors of local boards of health.

H. B. No. 204, by Kinney, relating to the duties of the state chemist.

H. B. No. 192, by Peterson, providing a change of venue in civil cases in the district court.

H. B. No. 126, by Hawley, raising the salaries of county superintendents of schools

salaries of county superintendents of H. B. No. 27, by Kinney, creating a standard of weights and measures uni-form with that of other states.

headache most of the time, was nervous and my stomach was in a dreadful condition.

"I had become almost a complete physical wreck. Heart irregular. My complexion was sallow and I had lost flesh until I was very thin.

"At this period I was induced to change my food and go on Grape-Nuts and cream, and from the first week I found a marked change. I kept on steadily until now I have been using the food for four months. I have gone back to my old weight, my complexion is rosy and indicates perfect health. My memory is better than it has been in years. All the old stomach and heart trouble is gone. I sleep fike a baby at night and no one can tell how I appreciate the feeling of perfect health brought to me by Grape-Nuts." Name given by Postum Co. Battle Creek, Mich.

General Trade About Normal.

R. G. Dun & Co. report the jobbing trade about normal, with collections fair. There is no material increase in the retail trade, notwithstanding the fine weather, but business is good for this season. Money is much in evidence, and there is a demand for sugar stocks, but prices are too stiff to invite investment. Nearly all industrials show a slight advance, prices closing as follows:

Amaigamated Sugar Co. pfd. \$850
Desered Sanking Co., Kaysville 139 90
Con. Wagon & Machine Co., pfd. \$850
Desered Sanking bank 283 90
Desered Mormon church 192
Sait Lake City railroad 102
Sumpter Valley railroad 194
Utah County Light & Power Co. 103

Bank Clearings Show Increase.

Salt Lake shows an increase of 18.2 per cent over the corresponding period last year in bank clearances, as against 44 per cent gain at Portland, 17.3 per cent at Tacoma and 26.5 at Spokane. The opinion is expressed by local financiers that this increase is the gradual recovery from the low ebb which followed the disastrons decline of mining stacks which
